

## Young Adult Program Assistant Volunteer

- **Our mission:**

At Anjali House we aim to provide each child with free healthcare, food, clean drinking water and education.

*“We believe that no child should be forced to beg or work. We believe that they have the right to enjoy their childhood - to learn, play, make friends and grow in a safe and happy environment. These are basic rights that no child should be denied.”*

- **Our activities:**

We support 120 children, ranging age from 5 up until 19.

Our 4 programs are:

1. *Basic Care:* We provide two nutritious meals per day for the students, as well as unlimited clean drinking water. They also have access to a shower and hygiene supplies.
2. *Education:* We provide classes in English, Khmer, Computer skills, General studies, creative workshops. Our teachers are Khmer, supported by international volunteers.
3. *Family Support:* Our social worker pays regular home visits to the students' families. Anjali House provides emergency medical care, as well as vital trainings for parents (health, violence, parenting skills).
4. *Young Adult Program:* Anjali House provides support and development in skills for our Young Adults. This includes career orientation classes, internships, life skills, and access to university/vocational trainings.

- **Description:**
