REPORT OF INDEPENDENT AUDITORS ON THE STATEMENT OF FUNDS RECEIPTS AND DISBURSEMENTS - TO THE MANAGEMENT OF ANJALI HOUSE (CAMBODIA)

Opinion

We have audited the accompanying Statement of Fund Receipts and Disbursements of the Anjali House (Cambodia) for the year ended 31 December 2020 and notes to the financial statement, including a summary of significant accounting policies (together "the financial statement").

In our opinion, the accompanying Statement of Fund Receipts and Disbursements of the Anjali House (Cambodia) for the year ended 31 December 2020 is prepared, in all material respects, in accordance with the accounting policies set out in note 2 to the Statement of Fund Receipts and Disbursements.

Basis for opinion

We conducted our audit in accordance with Cambodian International Standards on Auditing (CISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are independent of the Anjali House (Cambodia) in accordance with the ethical requirements that are relevant to our audit of the financial statement in Cambodia, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter- Basis of Accounting and Restriction on Distribution and Use

We draw your attention to Note 2 to the financial statement, which describes the basis of accounting. The financial statement was prepared in accordance with the accounting policies set out in Note 2 to the financial statement, which is a comprehensive basis of accounting other than the Cambodian International Financial Reporting Standards. As a result, the financial statement may not be suitable for another purpose. Our report is intended solely for the Organisation and for no other purposes and should not be distributed to or used by parties other than the Anjali House (Cambodia). Our opinion is not modified in respect of this matter.

Responsibilities of management for the financial statement

Management is responsible for the preparation of the financial statement in accordance with the cash receipts and disbursements basis of accounting described in Note 2 to the financial statement; this includes determining that the cash receipts and disbursements basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances, and for such internal control as management determines is necessary to enable the preparation of a financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Anjali House (Cambodia)'s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Anjali House (Cambodia) or to cease operations, or has no realistic alternative but to do so.

REPORT OF INDEPENDENT AUDITORS ON THE STATEMENT OF FUNDS RECEIPTS AND DISBURSEMENTS - TO THE MANAGEMENT OF ANJALI HOUSE (CAMBODIA) (Ctd)

Auditor's responsibilities for the audit of the financial statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with CISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with CISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Anjali House (Cambodia)'s internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Anjali House (Cambodia)'s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Anjali House (Cambodia) to cease to continue as a going concern.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE STATEMENT OF FUND RECEIPTS AND DISBURSEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. General

Anjali House began life as a project of the Angkor Photo Association (“APA”) (a registered non-profit association in France – Registration No: W751202186), and Angkor Photography Festival Association in Cambodia (Registration No: 1391SPN). In 2005, a group of photographers got together to promote photography and highlight humanitarian issues in Southeast Asia. APA wanted to produce a regional photo festival but, in an area of so much deprivation, they also wanted to include some of the people who live in this remarkable and wonderful part of the world.

Anjali House (the “Organisation”) provides to each child free healthcare, food, clean drinking water and education. For the year 2020, Anjali House supports around 217 children.

Anjali began with a one-off dance troupe, led by Sangeeta Isvaran, and a photography workshop initiated by Magnum photographer Antoine d’Agata. The children were encouraged to stay away from the streets, and at the end of the week, they performed their dance routine and exhibited their photographs to an international audience. With rapt applause, they found a sense of empowerment, pride and personal achievement.

Galvanized by the difference that was made in first weeks, APA was inspired to further extend its help, and began to provide education and practical support to Siem Reap’s street children and engage with their parents.

The seeds of those efforts grew into the Anjali House of today. While close ties remain with the Angkor Photo Festival which provides annual photography workshops for our kids, Anjali House is now its own organisation with its own leadership.

The Organisation is an independent national NGO officially registered with the Ministry of Interior on 31 July 2006.

2. Significant accounting policies

2.1 Basis of preparation

The Statement of Fund Receipts and Disbursements is expressed in United States Dollar (“USD”) and prepared under the cash receipts and disbursements basis of accounting modified to include certain receivables, payables and construction. Under the cash basis of accounting, grants and revenue are recognised when received rather than when earned and expenses are recognised when paid rather than when incurred.

2.2 Receipts and disbursements

Receipts are defined as the funds received by the Organisation, net of bank charges from donors.

Disbursements represent all costs paid in line with the Organisation’s objectives and the budget agreed.

The Organisation will reimburse up to 100% of medical expenses for employees, with the maximum amount of reimbursement of USD 500 per year per employee. An employee may seek reimbursement from the Organisation if their medical expenses exceed 10% of their current monthly salary. However, expense related to enhancement of physical appearance will not be covered by the Organisation. Employees who are injured during working hours on Anjali House premises will receive 100% coverage for all medical expenses incurred.
